ON THE WAY FROM KOUŘIM TO LIVORNO

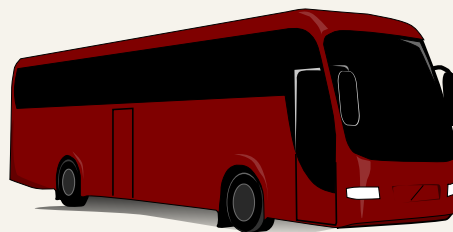

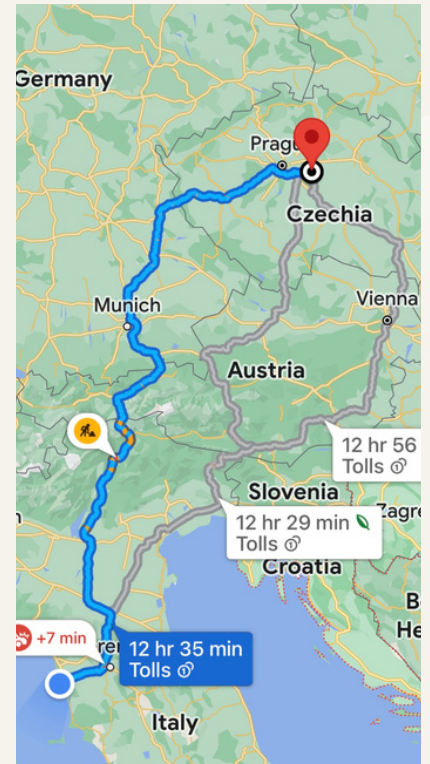

1 MAY

Our trip started on Monday at 5 pm in front of our school in Kouřim. We loaded up our bags and gifts and hit the road.

Duration of the trip:
15 hours (with breaks)
12 and a half hours (without breaks)

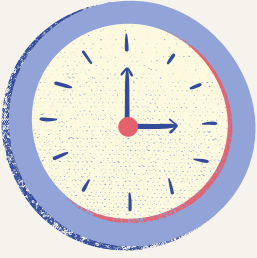

What we were doing during the trip: We were playing games on our phones, we listened to music or we just talked with each other.

We didn't get much sleep so we were tired when we arrived in Livorno on Tuesday morning.

ARRIVAL DAY

At 9:00 in the morning we met for the first time. Italian students and teachers gave us a warm welcome and showed us the school.

After our meeting we went to the school garden to enjoy some refreshments that Italian families prepared for us.

Then we had presentations about our schools, cities and places we were about to visit throughout the week.

After that we played a Kahoot about our school in Kouřim.

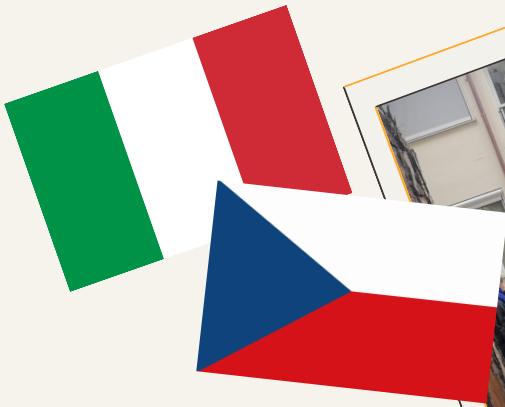

At lunchtime we went to eat pizza in Charleston and in the afternoon we walked to the city centre and enjoyed a boat trip through Livorno's canals.

BUFFET

2 MAY

When we got to school, we were welcomed by the students. Later they took us to the backyard and gave us food. Later we showed our school and city presentations.

They welcomed us with pizza, juice, coffee, cakes, biscuits, chips, tea, lemonade and everything tasted awesome.

DIFFERENCES BETWEEN ITALIAN AND CZECH FAMILIES

Food

Italians eat larger portions than Czechs. Italians usually eat two plates of food, pasta and after it meat, but Czechs eat just soup at first and then main course. For dinner Italian people eat pizza or meat and Czech people eat for example a roll with ham or leftovers from lunch.

NEW DISHES THAT WE TRIED AS CZECH STUDENTS

We tried new types of pasta, like: tortiglioni, cannelloni and many more.

We also tried a new types of pizza. I've never had pizza with sausages.

I probably prefer the pizza because it just tasted better.

But it was heavy for me so I only ate one piece.

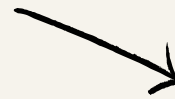

The pasta was light and good too. So it was easier to eat.

CZECH DISHES ITALIAN STUDENTS WANT TO TRY

savoury food

sweet food

"Vepřo knedlo zelo" is the national Czech dish that has origins from Bavaria. It's made with roast pork with dumplings and steamed cabbage.

We'd like to try the "trdelník"...

... and "ovocné knedlíky".

ITALIAN GESTURES

This gesture means
"What do you want?"
"What are you doing?"
"What does it mean?" and
"What's happening here?"

This means
"It's ok"
"Perfect!"
"Well done!"

We also learned how to express
that something is delicious, how
to show "I don't care" or how to
nonverbally ask someone "Are
you crazy?"
